

Technical support

If your web page is not displaying correctly or you are unable to use our online services, the pages in this troubleshooting guide will help you.

Further information

[Optimum software and site settings](#)

If you are having trouble navigating or viewing our site, find out here how to optimise your online experience by downloading the appropriate software like Adobe Acrobat Reader, Adobe Flash Player, and more!

[Installing PDF viewer software](#)

How to download and install the Adobe Acrobat Reader.

[Tips for uploading documents](#)

You can only upload a document with a file size that is smaller than 10MB. Only certain types of files can be uploaded - PDF, RTF, DOC, DOCX, WPD.

[Known issues](#)

[What is RSS?](#)

RSS, short for 'Really Simple Syndication' or 'Rich Site Summary', allows you to keep up to to date with Companies Office news from this website.

[What is Skype?](#)

You can call us for free on Skype. Learn about Skype and how to use it.

[Connect direct](#)

High volume users of the Companies Office site might want to consider establishing a direct connection to the Companies Office to increase business efficiency.
