

Training Hub

For training opportunities to assist clients using our online services. Information detailing the free training we offer and other training resources can be found here at the Training Hub.

BUSINESS UPDATE 2010 New Services for the New Decade

Business Update 2010 presentations

During April and May 2010 free information seminars were held throughout New Zealand providing clients with a general update on our business as well as covering more specific information on the new Companies Office online services, and the new Financial Service Providers Register (FSPR).
