

## **Authority Management**

Authority Management is the authority system for users of this website who want to maintain financial service provider (FSP) information on the Financial Service Providers Register (FSPR).

### **[Who can have Authority](#)**

Authority can be granted to certain persons including a registered FSP individual and directors.

### **[How to get Authority](#)**

The person or organisation who registers the FSP will be automatically granted Authority. After registration others can request Authority.

### **[Who can grant or revoke Authority](#)**

Only the Registrar can grant and revoke authority over an FSP.
