

Getting help with finance

Submitting tax returns and claiming GST refunds can seem quite complex. This section gives more information about this as well as specialist business advisors and the services they offer.

[Your options during financial difficulty](#)

Contact Inland Revenue as soon as possible if you don't think you can meet your tax payments on time.

[Business assessment](#)

Identify your core business capabilities with NZ Business Assessment tool. Doing this can help identify benchmarks, monitor growth and pinpoint areas of weakness.

[Assess your financial health](#)

Use our handy tool to check your business' financial health.

[Financial Ratios calculator](#)

Use this online calculator to calculate some common financial ratios for your business.
