

For agencies

[Government policy](#)

The Government expects its departments, and encourages other public sector agencies, to be guided in their procurement by the following principles:

[Strategic Procurement](#)

Structured approach to strategic procurement Achieving strategic procurement outcomes involves setting strategic priorities and direction. The implementation links strategic planning with operational planning and financial planning and management.

[Guides and tools](#)

[NZ Procurement Academy](#)

[Developing procurement capability](#)

Overview of developing procurement capability – what, why, how, who – and links to specific initiatives.

[Procurement planning](#)

As part of good procurement practice agencies are encouraged to publish a Strategic Procurement Outlook (SPO) and an Annual Procurement Plan (APP). This page contains current APPs and SPOs as well as guides and templates to assist agencies.

[Government Model Contracts](#)

To support the New Zealand Government Procurement Reform a set of standard conditions of contract have been developed for use by government agencies. This page contains Government Model Contract guides and templates.
