

## Mastering Procurement - the guide

### Welcome to the 'Guide to Mastering Procurement – a structured approach to strategic procurement'.

A few words before you dive on in...

This foundation guide steps you through the end-to-end approach to [strategic procurement](#): from the high-level strategic thinking and business planning, through to the operational aspects of dealing with individual acquisitions and the management of the resulting contract and relationships.

- This guide incorporates best practice from overseas and New Zealand and has been developed following extensive consultation and discussion with a range of stakeholders.
- The guide supports the [NZ Procurement Academy's](#) two-day training course Demystifying Procurement. Check out the [calendar](#) for the next available date.
- Our [guides, tools and templates](#) section of the site enables you to access the various guides, tools and templates discussed in the guide.
