

Overseas opportunities

Being well connected with the rest of the world is key to New Zealand's growth prospects. Trading internationally gives firms access to larger markets and can lead to productivity improvements as businesses develop new technologies, markets and production methods to compete with foreign firms.

[Getting ready to export](#)

Where to get help when getting started in business for the first time, or to help your business get ready to export.

[Free trade agreements](#)

As an exporting nation, New Zealand is committed to liberalising trade. Trade agreements between two or more countries make international trade easier and more efficient.
