

STRATEGIC PROCUREMENT OUTLOOK

Ministry of Women's Affairs

Period Covered:	1 July 2010 – 1 July 2011
Last Updated:	28 May 2010

Mission

The Ministry of Women's Affairs provides policy services to enable the government to ensure women have real choices and use their strengths to maximise social and economic success.

The Ministry's main responsibilities are:

- Nominations of women to state sector boards
- Policy advice and interventions on issues that impact on women
- Management of New Zealand's international obligations in relation to the status of women.

Policies & Programmes

The Ministry of Women's Affairs priorities for the next three years 2009-2012 are:

- Women participating in leadership roles across the economy
- The damaging impact of violence against women, in particular sexual violence, is reduced
- All women can be fully engaged in the economy and contribute to the country's economic growth.

Overarching Purchasing Objectives

The Ministry of Women's Affairs main purchasing activities relate to:

- Policy and research contracts
- Office and IT equipment
- Office supplies.
