

Free business plan template

It is important that you have a business plan when you start your business. It will help you raise funds and set direction for your business.

The business plan template below can help you structure your business plan and give you some ideas about what to write in each section of the business plan.

Sections included in this template are:

- Business model
- Business strategy
- Marketing
- Team and management structure
- Financial budgets and forecasts
- Summary

You may find that your business plan may require extra sections depending on the type of business you are in and the audience for your business plan.
