

# Services for employers

Work and Income can help you recruit and keep quality staff.

## Tailored free recruitment service

Work and Income offers a wide range of fast, efficient and a New Zealand wide [no-fee recruitment service](#) that can be tailored to your business.

Whether you're a small, medium or large business, or looking to recruit locally or nationally, we have a wide range of candidates who have the skills and attributes to suit all kinds of jobs.

We'll talk with you about what qualities and skills are important to you and match the most suitable candidates to your vacancy.

If you've found a candidate to hire, or already hired someone, but they need some [extra support or training](#), we may be able to help with a subsidy.

## Ongoing support for your new staff member

Once your new staff member starts work, we can offer [ongoing post-employment support](#) and advice to help you manage any challenges that come up.

## Free advice to help you support staff with health conditions

If you have disabled staff or staff with a health condition, including mental health, you can get advice on how to support them and information about supports and services available.

**Free phone 0800 805 405 Monday – Friday 8.30am-5.00pm**

You can call this line about any staff member, whether they're a current employee or are new.
